

## ABOUT THE AJR

The Association of Jewish Refugees (AJR) was founded in 1941 by Jewish refugees from central Europe, and has continuously served the interests and addressed the needs of Holocaust refugees and survivors who settled in Britain through our social, welfare and care services.

The AJR has also developed [resources](#) such as *Refugee Voices: The AJR Testimony Archive* and exhibitions such as *Continental Britons: Jewish Refugees from Nazi Europe*. In addition, it has a lengthy track record of financially supporting a range of Holocaust education and remembrance initiatives in the UK, with partners ranging from local organisers of commemorative events to major archives and museums.

In 2017, the AJR launched a strategic review of our role in supporting Holocaust education and remembrance. The application below reflects our new approach to initiating partnerships with carefully selected partner organisations and institutions.
